

Cheshire Avenue Reserve Upgrade

Community Feedback

Between the 19 August and 1 September 2024 Melton City Council shared with the local community of Inglewood Park, Burnside Heights a proposed landscape plan to upgrade the existing park.

Feedback was collected via an online survey, a hard copy flyer, email and phone. A total of 2 responses were received from the community. Below is a summary of the feedback that was collected.

This feedback helps Council to understand what is important to the community and why, as well as identify any other opportunities for improvements. The feedback is reviewed and will be used to update the park design.

Gender Impact Assessment

Alongside this consultation, we conducted a gender impact assessment to ensure equal access for all individuals, aiming to achieve a fairer design outcome for the community.

Below is the distribution of respondents and their household details.

Project Proposal Feedback

What do you think about the park in its current form?

How do you travel to the park (cycle/walk/drive) and which direction do you arrive from (street name)?

What do you like about the proposed park improvements?

What don't you like about the proposed park improvements?

What else do you expect to see within the proposed park?

Feedback Summary and Response

The below table is a summary of the community's suggestions and other feedback received. Council have reviewed these responses and provided a response as it related to the projects purpose and budget.

Community Feedback	Melton City Council Response
General	
More play equipment	This will be considered in future Parks Development Program.
More shading	Additional natural shade will be provided around playground area.
More footpaths	This will be included in future Parks Development Program.
