

# Fieldstone Way Reserve Upgrade

## Community Feedback

Between the 19 August and 1 September 2024 Melton City Council shared with the local community of Fieldstone Way Reserve, Brookfield a proposed landscape plan to upgrade the existing park.

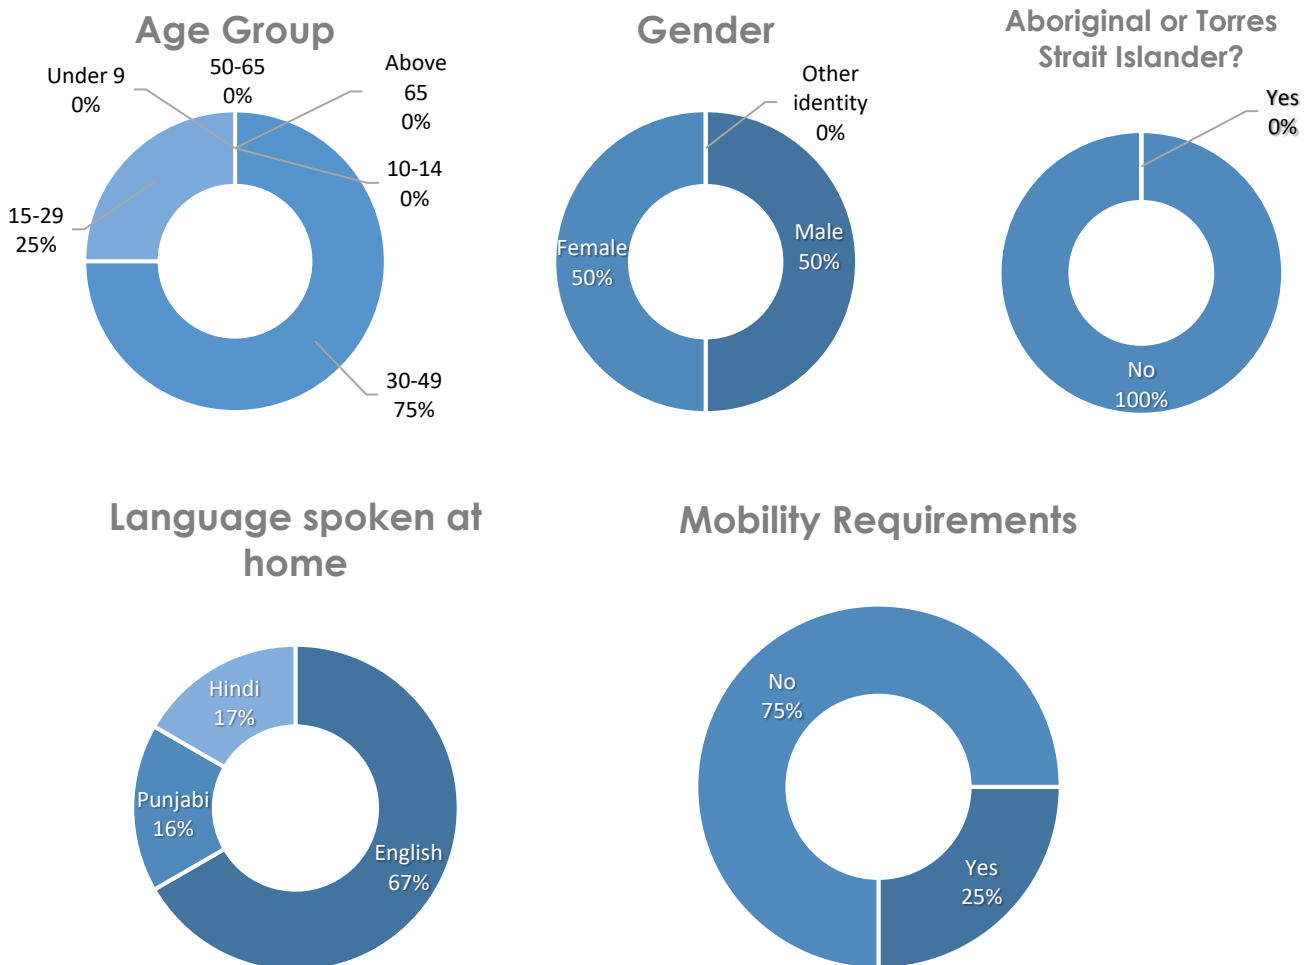

Feedback was collected via an online survey, a hard copy flyer, email and phone. A total of 4 responses were received from the community. Below is a summary of the feedback that was collected.

This feedback helps Council to understand what is important to the community and why, as well as identify any other opportunities for improvements. The feedback is reviewed and will be used to update the park design.

### Gender Impact Assessment

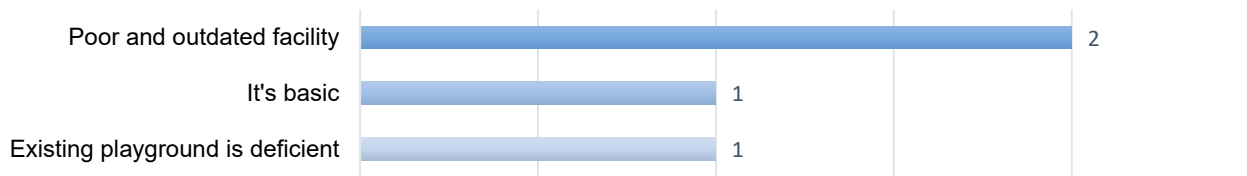

Alongside this consultation, we conducted a gender impact assessment to ensure equal access for all individuals, aiming to achieve a fairer design outcome for the community.

Below is the distribution of respondents and their household details.

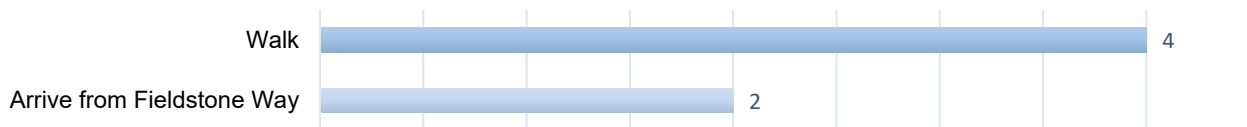

## Project Proposal Feedback

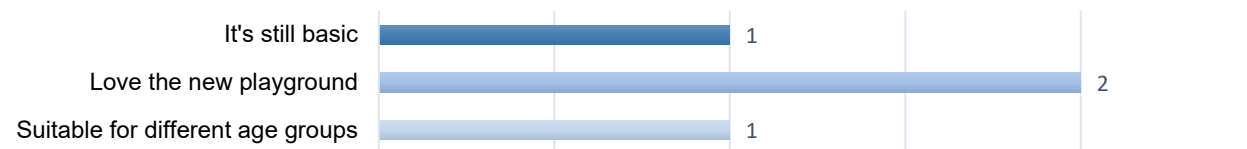

### What do you think about the park in its current form?

### How do you travel to the park (cycle/walk/drive) and which direction do you arrive from (street name)?

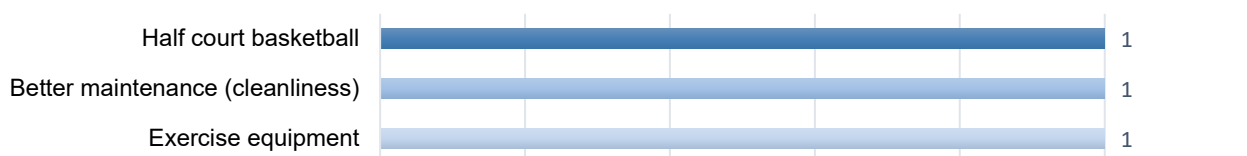

### What do you like about the proposed park improvements?

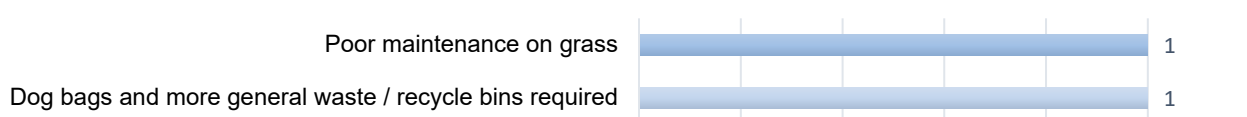

### What don't you like about the proposed park improvements?

### What do you like about the proposed park improvements?

### Do you have any other comments about the park?

## Feedback Summary and Response

The below table is a summary of the community's suggestions and other feedback received. Council have reviewed these responses and provided a response as it related to the projects purpose and budget.

| Community Feedback                                                               | Melton City Council Response                                                                                     |
|----------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------|
| <b>General</b>                                                                   |                                                                                                                  |
| Dog bags and more general waste / recycle bins                                   | This will be reported to the open space planning team and reviewed or inclusion in future infrastructure plans.  |
| Better maintenance (cleanliness)                                                 | This will be reported to Council's relative department.                                                          |
| <b>Playground</b>                                                                |                                                                                                                  |
| It's mainly for young kids, older kids don't have anything to play.              | This will be considered in the detailed design phase.                                                            |
| Exercise equipment for elderly / middle ages whilst kids are playing in the area | This will be reported to the open space planning team and reviewed for inclusion in future infrastructure plans. |
| A half basketball court would be great and would help young kids go outdoor more | This will be reported to the open space planning team and reviewed for inclusion in future infrastructure plans. |
