

Cranwell Reserve Upgrade

Community Feedback

Between the 2nd September and 15th September 2024 Melton City Council shared with the local community of Cranwell Reserve, Caroline Springs a proposed landscape plan to upgrade the existing park.

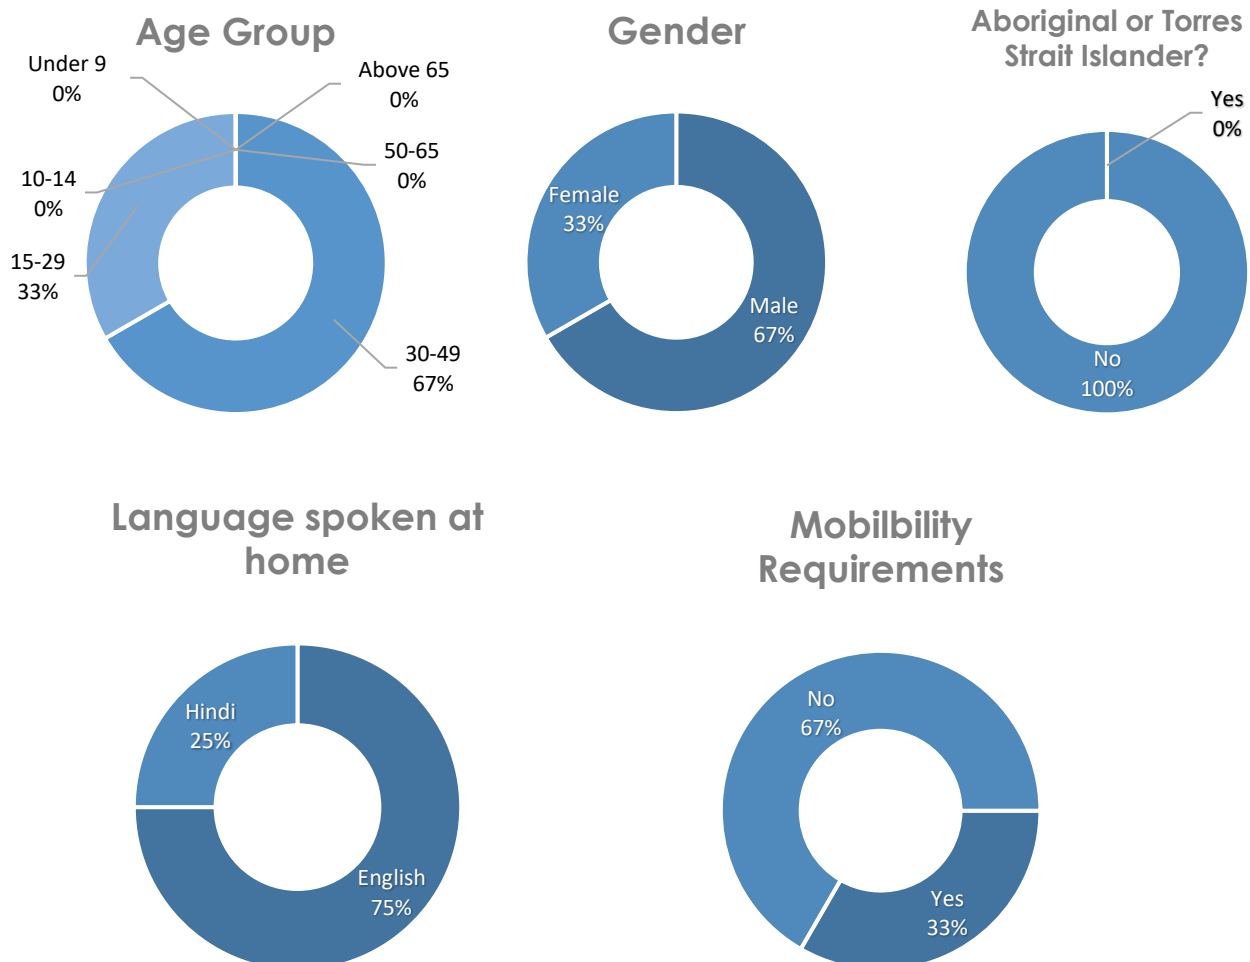

Feedback was collected via an online survey, a hard copy flyer, email and phone. A total of 3 responses were received from the community. Below is a summary of the feedback that was collected.

This feedback helps Council to understand what is important to the community and why, as well as identify any other opportunities for improvements. The feedback is reviewed and will be used to update the park design.

Gender Impact Assessment

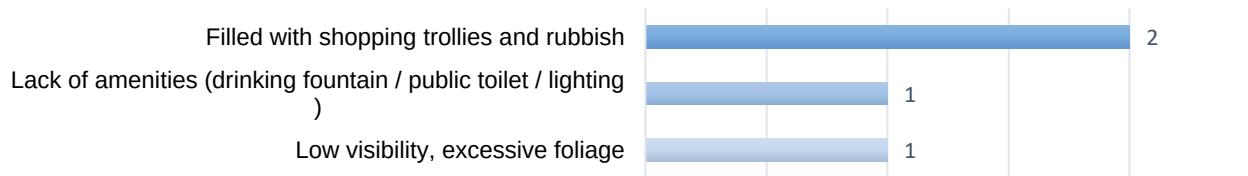

Alongside this consultation, we conducted a gender impact assessment to ensure equal access for all individuals, aiming to achieve a fairer design outcome for the community.

Below is the distribution of respondents and their household details.

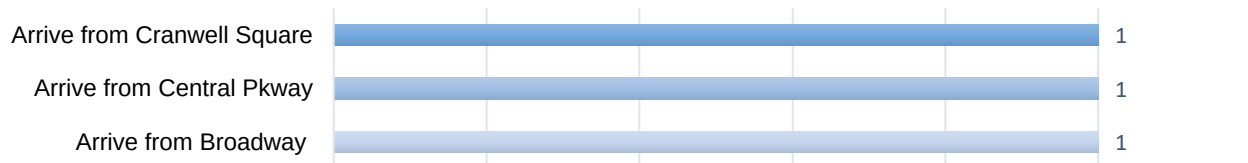

Project Proposal Feedback

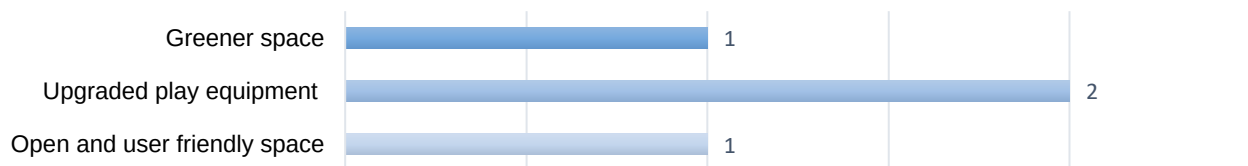

What do you think about the park in its current form?

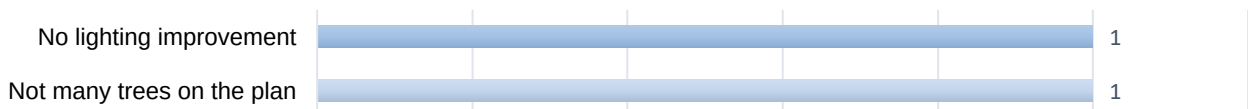

How do you travel to the park (cycle/walk/drive) and which direction do you arrive from (street name)?

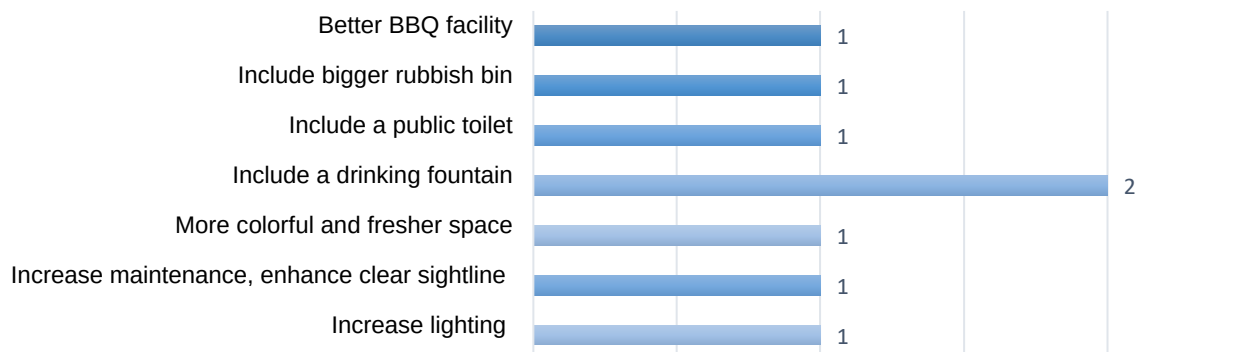

What do you like about the proposed park improvements?

What don't you like about the proposed park improvements?

What else do you expect to see within the proposed park?

Do you have any other comments about the park?

Dump of rubbish and shopping trollies due to the excessive foliage and closeness of the space	1
Current signage is not set in the ground and poses risk	1

Feedback Summary and Response

The below table is a summary of the community's suggestions and other feedback received. Council have reviewed these responses and provided a response as it related to the projects purpose and budget.

Community Feedback	Melton City Council Response
General	
Better maintenance of the park	This will be reported to Council's relative department.
Clear sightline	This will be reported to Council's relative department.
Remain the tall trees	Existing trees will be retained.
Better BBQ	This will be reported to the Open Space Planning Team and reviewed for inclusion in future infrastructure plans.
Include a Toilet	Toilets are typically not considered at local-level reserves, which may raise anti-social behaviour.
Include Rubbish Bin	This will be reported to Council's relative department.
Include Lighting	Lights are typically not considered at reserves, which may raise anti-social behaviour.
Include a Drinking Fountain	This will be reported to the Open Space Planning Team and reviewed for inclusion in future infrastructure plans.
Playground	
Colorful and fresher space	This will be considered in the detailed design phase.
Native plants and flowers	This will be considered in the detailed design phase.
More trees on the plan	This will be considered in the detailed design phase.
